The Clerk had previously indicated to the Chairman that he would leave the meeting when item 26 (Consider payment for additional hours worked by the Clerk) was discussed.

### 2770. Public Speaking

A Governor from Lea Primary School delivered a statement in relation to the village playgroup. It was explained that the playgroup was established 50 years ago, and was run by volunteers. There are currently 60 children on roll. When the current committee finish, there are no volunteers to take over. There are also various Ofsted requirements that must be met. Potentially, the playgroup could therefore close in July this year. Lea Primary School have indicated that they may be interested in taking over, but the age range would be slightly different and alternative accommodation was being looked at.

A resident made suggestions in relation to the layout of the parish council's budget monitoring report and how income and expenditure for the HLF project and the Neighbourhood Plan could be shown.

**RESOLVED:** Clerk to seek advice from the internal auditor.

**2771. To approve and sign the minutes of the meeting held on 4 January 2017.**

**RESOLVED:** To approve the minutes as a true record. Vote: 5 for / 1 abstention.

**2772. To determine which items, if any of the Agenda should be taken with the public excluded.**

**2773. Chairman's Announcements**

- **Clarification of insurance and maintenance liability for public toilets**

The Clerk confirmed that AVBC have said that they provide insurance for the building itself, but this does not extend to fixtures and fittings. We are required to provide public liability insurance, which we do. The Parish Council is responsible for maintenance and all other running costs.

**RESOLVED:** Clerk to contact AVBC and state that the Parish Council are of the opinion that when items such as sanitary ware are permanently installed, these should be covered by the building insurance.

- **Parish Magazine Editor**

Richard Hibberd has stepped down from the parish magazine and wanted to say that he has enjoyed his time as editor and thanked the Parish Council for their support. He said that the constraints placed on him by DLH Together had led to him stepping down.

**2774. Damage to grass at the "Green" - Church Street / Mill Lane**

Cllr Hooker described the damage to the grass which had been caused by large vehicles mounting the kerb on the bottom corner. Ideas were discussed as to how the problem could be addressed.

**RESOLVED:** (1) Clerk to contact Derbyshire County Council Highways Department to highlight the problem and ask them to consider realigning the road so that large vehicles can take the corner without mounting the kerb. (2) Clerk to request that a Highways representative contact Cllr Hooker to arrange a mutually convenient time to meet on site to look at possible solutions to the problem, together with another highway matter opposite Lea Primary School.

Cllr Hooker confirmed that the Neighbourhood Plan grant of £1330 had been received. Also, a cheque had been received from Guy Martin to cover the cost of the room hire for the January meeting. This was passed to the Clerk.

The Clerk indicated that it would be necessary for the Steering Committee to indicate which funding pot should be used to pay for each item of expenditure put forward for payment – the CVS grant or the NP grant.

**RESOLVED:** For the Clerk to use the funds from the CVS grant to pay for the December room hire (£22).

**2779. Update on Memorial Gardens HLF project – Cllr J Ward**

Cllr J Ward gave an update. Work was progressing well and a wall had been re-built. Lea Gardens had donated a shrub and a request had been received to dedicate a bench. A discussion followed regarding whether or not to continue to bring benches in over the winter. A decision on this was deferred until summer. Cllr Ward was thanked for her input into the project.

**RESOLVED:** To use £890 of HLF funding to pay for tree works scheduled to be carried out by Thompson Tree Services at the Memorial Garden.

**2780. Consider quotation and designs for new signage at the Memorial Gardens**

Cllr Ward explained that there was a possibility that a stone sign could be provided for the Memorial Garden. There was interest in the idea and there was a suggestion that the stone could have the name of the site and the date engraved on it. Cllr Ward said that she would obtain prices for the work.

A discussion took place regarding the draft sign and quotation that had been circulated by the Clerk. Various amendments were agreed.

**RESOLVED:** (1) To abandon the idea of a secondary sign containing the contact details for the Parish Council and the warning and prohibition graphics. **RESOLVED:** For the Clerk to withdraw the 'War Memorial Pleasure Grounds' from Charity Commission Register.

**2784. Restricting Permitted Development through ‘Article 4’ – Report from Planning Working Group**

Cllr Aldred explained that she was still trying to obtain more information. Cllr Hooker said he was also waiting for a response from AVBC and was considering an article for the parish magazine aimed at encouraging people to take a responsible approach to details of older properties in the conservation area.

**2785. DALC subscription for 2017/18**

**RESOLVED:** To opt for the basic level 1 subscription priced at £241.13

<b>AVA/2017/0045</b>	<b>Land at, Church Street, Lea, Matlock</b> Agricultural Shelter/Storage Building.  <b>COMMENT:</b> The Parish Council is concerned about the size of the building in relation to the land on which it is build, which will not accommodate the number of animals for which it is projected. The visual impact could be reduced with the removal of the existing building which the owners have indicated they are willing to do. We draw attention to the comments made by DCC

	highways. We note that this is part of a high sensitivity area of land as described in the latest AVBC survey.
