

### **Questions submitted to DCC prior to the Leashaw meeting on 5/2/25**

1. Is the Design Solution now completed and is it costed and tendered?
2. Is there a likelihood that a compulsory land purchase order will be required? If so, will this delay the project?
3. What is the outcome of liaising with Severn Trent due to their land ownership and assets in the area?
4. Has DCC reached agreement with East Midlands Mayor and our MP on the priority for this scheme for 2025/26?
5. Of the £37.5m allocated to DCC for 2025/26, how much is allocated to restoring Leashaw and will the restoration be completed in 2025/26?
